OPEN2STUDY COLLEGE

Global Calucation, Local Meart,

1. Welcome Message from the Principal

A Message to Our Future Leaders,

Welcome to Open2study College. You have chosen a path that values both practical skill and academic excellence. In today's rapidly evolving global economy, the most successful individuals are those who can bridge the gap between "knowing" and "doing."

Our unique partnership with **Langbustec University** and **Thames University** ensures that while you study within your own community, your qualification carries weight across the globe. Whether you are here to master a technical trade through our TVET programs or to pursue a Master's degree in a specialized field, we are committed to supporting your ambition with world-class resources and local care. Your journey starts here.

We look forward to seeing you on campus.

Jurgen Dale

Dr Jurgen Dale PhD

Principal Director,

Open2study College

2. Bachelor's Program: Course Descriptions

For students pursuing degrees through our international affiliates, we offer a curriculum designed for the 21st-century workforce.

Core Specializations

Course Code	Unit Name	Description	University Partner
BUS301	Strategic Leadership	Focuses on decision-making, ethical leadership, and managing change in global organizations.	Thames University
CS402	Advanced Cyber Security	In-depth study of network defense, ethical hacking, and data encryption protocols.	Langbustec University
MGT305	Entrepreneurship	A practical unit on launching start-ups, scaling businesses, and venture capital.	Thames University
IT410	Cloud Infrastructure	Exploration of AWS, Azure, and Google Cloud systems for enterprise-level deployment.	Langbustec University

3. The Education Pathway Diagram

Student Journey

To ensure a smooth experience, every student must familiarize themselves with these **key areas**:

Academic Integrity

We maintain high standards. Plagiarism and cheating are strictly prohibited to protect the value of your degree.

Enrolment & Fees

Information on semester dates, tuition payment plans, and scholarship opportunities.

Student Support Services

Access to 24/7 tutor support, library resources, and mental health counseling.

Credit Transfer (RPL)

Have you worked in the industry? We offer Recognition of Prior Learning to fast-track your studies.

Code of Conduct

Respectful engagement in both physical and digital learning environments.

International Partner Regulations

Students in Bachelor's and Master's programs must also adhere to the specific academic regulations of **Langbustec** or **Thames University**.

International Partner Regulations

Students in Bachelor's and Master's programs must also adhere to the specific academic regulations of **Langbustec** or **Thames University**.

4. Enrollment

OPEN2STUDY
COLLEGE

5. Admission Checklist

Before submitting your application, please ensure you have the following ready:

1. **Completed Application Form** (Downloadable from our website or Completed Online).
2. **Certified Copies of Academic Transcripts** (Grade 10, Grade 12, or previous Certificates).
3. **Proof of Identity** (Birth Certificate, Passport, or National ID).
4. **Two Professional/Academic References** (Required for Master's candidates).
5. **Updated CV/Resume** (For RPL or mature-age entry).
6. **Application Fee Receipt.**

1. Academic Pathway: Your Journey to Success

We believe in a "No Dead Ends" approach to education. Whether you start with a short skill-based course or a TVET program, every step you take builds credit toward higher qualifications.

- **Entry Level:** Short Courses (Professional Development) and TVET (Technical Skills).
- **Foundation:** Certificate and Diploma programs provide core industry knowledge.
- **Advanced:** Bachelor's and Master's Degrees offered in partnership with **Langbustec University** and **Thames University**.

2. Program Offerings

Short Courses & TVET

Designed for immediate employability and practical skill acquisition.

- **Duration:** 4 weeks to 6 months.
- **Focus Areas:** Digital Marketing, Basic Bookkeeping, Hospitality Essentials, and Technical Trades (Electrical, Plumbing, Automotive).

Certificates & Diplomas

Recognized qualifications that bridge the gap between technical skill and academic theory.

- **Certificate III & IV:** Foundations in Business, Community Services, and IT.
- **Diploma:** Advanced leadership and specialized technical training.

Bachelor's & Master's (Affiliated Programs)

Through our strategic partnerships, Open2study College students can earn globally recognized degrees without leaving their local context.

Program Level	Affiliation	Key Specializations
Bachelor's Degree	Thames University	Business Admin, Entrepreneurship, Global Logistics
Bachelor's Degree	Langbustec University	Cyber Security, Computer Science, Accounting
Master's Degree	Langbustec University	MBA (Global Business), MSc Cyber Security
Master's Degree	Thames University	Master of Applied Engineering, MA Communication

3. Essential Student Handbook Sections

To ensure a smooth experience, every student must familiarize themselves with these key areas:

- **Academic Integrity:** We maintain high standards. Plagiarism and cheating are strictly prohibited to protect the value of your degree.
 - **Enrolment & Fees:** Information on semester dates, tuition payment plans, and scholarship opportunities.
 - **Student Support Services:** Access to 24/7 tutor support, library resources, and mental health counseling.
 - **Credit Transfer (RPL):** Have you worked in the industry? We offer **Recognition of Prior Learning** to fast-track your studies.
 - **Code of Conduct:** Respectful engagement in both physical and digital learning environments.
 - **International Partner Regulations:** Students in Bachelor's and Master's programs must also adhere to the specific academic regulations of Langustec or Thames University.
-

4. Why Choose Open2study?

1. **Flexibility:** Study at your own pace with our blended learning models.
2. **Global Pedigree:** Graduate with a degree from world-class universities in the UK, USA, or Australia.
3. **Industry-Ready:** Our TVET and Short Courses are developed alongside industry leaders to ensure you are ready for the job market on Day 1.

5. The Academic Pathway

Our "Ladder of Opportunity" allows students to enter at any stage and progress to the highest levels of academic achievement.

Pathway Levels:

1. **Level 1: Short Courses & TVET** – Skills-based training for immediate job entry.
 2. **Level 2: Certificate & Diploma** – Building professional foundations and technical depth.
 3. **Level 3: Bachelor's Degree** – Academic specialization in partnership with **Langustec and Thames University**.
 4. **Level 4: Master's Degree** – Leadership and advanced research qualifications.
-

6. Admission & Enrollment Process

To ensure our students are set up for success, the following steps must be completed:

- **Enrolment** : Complete the enrolment form from our website www.open2study.net , after submit, pay K50 to college account Acc #: 29529710 Account name: Open2study College, Kina Bank
- **Application**: Submit your academic transcripts and a copy of your National ID.
- **Assessment**: Our academic board reviews your prior learning (RPL) to see if you qualify for credits.
- **Orientation**: A mandatory session covering our Digital Learning Platform and campus facilities.
- **Fees**: Tuition must be settled per the "Fee Payment Policy" or through an approved installment plan.

7. Open2study College Course Fee Information Sheet 2025–2026

Open2study College offers a range of certificate, diploma, and advanced degree programs designed for both quick upskilling and long-term professional development. Our programs feature world-class teachers, live internet training, and post-training placement support.

1. Undergraduate & Postgraduate Degrees

Degree programs are subject to complete requirement compliance for enrollment.

Program Level	Fee per Semester (PGK)
Bachelor Programs	K9,500
Masters Programs	K16,000

- **Affiliations**: Programs are offered through international pathways including Langbustech University (USA), Thames University (France), NCC Education (British), and Robert Kennedy College (UK).
- **Requirements**: Enrollment is strictly subject to meeting all academic and administrative compliance standards.

2. Certificate & Short Courses

These programs are ideal for budget-friendly entry and specific job roles.

Course Name	Duration	Fee (PGK)
Marketing & Sales Management	5 weeks	K700
Finance Management & Bookkeeping	6 weeks	K800
Operations & General Management	6 weeks	K800
Computing	4 weeks	K1,000
HR Management	10 weeks	K1,600
Office Administration	8 weeks	K1,600
Business Administration	8 weeks	K1,600
Business Management	8 weeks	K1,700
Public Administration	8 weeks	K1,800
Hotel & Hospitality Management	2 months	K1,900
Logistics Management	10 weeks	K1,900
Information Systems	10 weeks	K1,900
Website Design & Internet Marketing	6 weeks	K4,000

3. Diploma Programs

Comprehensive courses suited for management and technical roles.

- **Standard Fee:** K4,800 for most diploma majors.
- **Modilon Campus Offer:** K4,200 for specific programs like Architecture and Media.
- **Total Fee Range:** Up to K5,480 including administration and material fees. Other course are also available please enquire through email enrol@open2study.net

3A. Below is the comprehensive program information for the Engineering Department at **Open2study College**. This guide outlines the pathway from secondary school through to advanced postgraduate studies, incorporating our international affiliations with **Thames University (UK)**, **Open University & University of People** and **Langbustech University (USA)**.

1. University Foundation Course (UFC) – Engineering Studies

This is a mandatory **one-year bridging program** for all secondary school leavers (Grade 12) seeking direct entry into Diploma or Bachelor programs. It is designed to close the academic gap in core technical subjects.

- **Duration:** 1 Year (2 Semesters)
- **Target:** Secondary school graduates.
- **Curriculum Focus:** * Foundation Mathematics (Calculus & Algebra)
 - Technical Physics
 - Introductory Engineering Science
 - Digital Technology & CAD Basics
 - Academic English & Communication
- **Entry Requirements:** Successful completion of Grade 12 with a minimum "C" grade in Mathematics A and Physics.
- **Fee:** K 3,500 per annum.

2. Engineering Program Streams

We offer specialized training across the following core disciplines:

- **Civil Engineering:** Infrastructure, roads, and water systems.
- **Mechanical Engineering:** Manufacturing, thermodynamics, and machine design.
- **Electrical Engineering:** Power systems, electronics, and auto-electrical.
- **Structural Engineering:** Building analysis and seismic-resistant design.
- **Marine Engineering:** Ship systems and maritime technology.
- **Seismic Engineering:** Specialized focus on earthquake-resistant infrastructure.

3. Program Levels, Requirements & Fees

Program Level	Minimum Entry Requirements	Duration	Estimated Annual Fee
Diploma (Level 6)	Completion of UFC OR Grade 12 with "B" in Maths/Physics + 1 year industry experience.	2 Years	K 5,500 – K 6,500

Program Level	Minimum Entry Requirements	Duration	Estimated Annual Fee
Bachelor (Level 7)	Diploma in relevant field OR High-distinction completion of UFC.	3–4 Years	K 8,000 – K 10,000
Masters (Level 8/9)	Recognized Bachelor Degree in a congruent engineering field.	1.5–2 Years	K 12,000+

Note on Trade Certificates: For specialized TVET tracks (e.g., Boiler Maker or Auto Electrical), fees may be structured per "Stage" (e.g., K 4,800 per stage for Auto Electrical).

4. Advanced Professional Specializations

Structural & Seismic Focus

As part of our commitment to regional safety, our **Structural Engineering** track includes mandatory modules in **Seismic Design**.

- **Key Subjects:** Earthquake Structural Design, Structural Refurbishment, and Soil Mechanics.
- **Master of Applied Engineering:** Offered in affiliation with **Thames University**, focusing on advanced infrastructure resilience.

Marine Engineering

Designed for the maritime industry, focusing on propulsion, ship stability, and offshore structures.

5. Admission & Financial Incentives

Open2study College operates a unique **Student Referral Program** to assist with affordability:

- **Referral Discount:** If you refer 2 or more students who register, your own course fees can be significantly reduced.
- **Incentive Scale:** Bringing 5+ students can reduce your personal tuition to as low as **K 300** for certain modules.

Would you like me to draft a formal "Letter of Admission Requirements" for these programs to be distributed to local secondary schools?

4. Admission & Enrollment Benefits

- **Eligibility:** Minimum Grade 10 or 3 years of related work experience.
- **Early Bird Discount:** Enroll between December 15 and January 6 to receive **20% off** school fees.
- **Website Discount:** Enroll through our website to attract a **10% discount** on tuition.
- **Scholarship:** 100% Scholarship opportunities to India.

Contact Information:

- **Head Office:** Beckslea Plaza, Room 4, Madang.
- **Phone:** +675 81441339 / 72048621.
- **Web/Email:** www.open2study.net | enrol@open2study.net.

Open2study College Course Fee Information Sheet 2025–2026 Full-Time

Open2study College offers a comprehensive range of academic and vocational programs, from technical trades to advanced degree pathways. Our training incorporates world-class instruction, live internet options, and post-training support.

1. Undergraduate & Postgraduate Degrees

Degree programs are subject to complete requirement compliance for enrollment.

Program Level	Fee per Semester (PGK)
Bachelor Programs	K9,500
Masters Programs	K16,000

2. TVET & Technical Trade Programs

The institute offers specialized technical skills training across multiple disciplines. Fees are structured by "Blocks" or "Stages."

Programs Included:

- Welding & Metal Fabrication
- Airconditioning & Refrigeration
- Plumbing & Carpentry
- Electrical
- Agriculture Studies
- Motor Mechanic & DHEF
- Boiler Maker

Program Category	Block 1 (PGK)	Block 2 (PGK)	Block 3 (PGK)
General TVET Courses	K5,800	K5,400	K5,800
Auto Electrical	K4,800	K4,800	K4,800
Boiler Maker	K7,500	K7,500	K7,500

3. Certificate & Diploma Courses

Quick upskilling and long-term career development options.

- **Certificates (e.g., Computing, HR, Marketing):** Range from **K700 to K4,000**.
- **Diplomas (e.g., IT, Business, Media):** Standard rate of **K4,800** (Modilon Campus offers available at **K4,200**).

Note: Admin Fee & Material Fee will be added so student should expect K 5200-5600 per year

Based on the course information provided for **Open2study College**, here is a new fee schedule for online courses. In accordance with your request, these rates have been calculated at **48% lower** than the standard fees.

Online Course Fee Schedule

This section outlines the adjusted tuition for students opting for the **Online Mode of Study**. These rates are exclusively for virtual learning and do not include the standard K50 enrolment fee.

1. Undergraduate & Postgraduate Degrees (Online)

Program Level	Standard Fee (per Semester) +1	Online Fee (48% Off)
Bachelor Programs	K9,500	K4,940
Masters Programs	K16,000	K8,320

2. Diploma Programs (Online)

Program Type	Standard Fee +1	Online Fee (48% Off)
Standard Diploma Major	K4,800	K2,496
Special Campus Offer	K4,200	K2,184

3. Certificate & Short Courses (Online)

Below are the adjusted rates for popular quick-upskilling programs.

Course Name	Standard Fee +1	Online Fee (48% Off)
Marketing & Sales Management	K700	K364
Finance Management & Bookkeeping	K800	K416
Computing	K1,000	K520
HR / Office / Business Admin	K1,600	K832
Business Management	K1,700	K884
Public Administration	K1,800	K936
Hotel / Logistics / Info Systems	K1,900	K988
Website Design & Internet Marketing	K4,000	K2,080

4. TVET & Technical Trade Programs (Online Theory)

Note: While practical "Blocks" are usually on-campus, the theoretical components are adjusted as follows.

+1

Program Category	Standard Block Fee	Online Fee (48% Off)
General TVET Courses	K5,800	K3,016
Auto Electrical	K4,800	K2,496
Boiler Maker	K7,500	K3,900

Enrollment Incentives

Online students remain eligible for additional benefits if they meet the deadline requirements:

- **Early Bird Discount:** An additional 20% off if enrolled between December 15 and January 6.
- **Website Discount:** A 10% discount applies for using the online portal at www.open2study.net.

4. Admission & Enrollment Benefits

- **Eligibility:** Minimum Grade 10 or 3 years of related work experience.
- **Early Bird Special:** Enroll between Dec 15 – Jan 6 for **20% off** your fees.
- **Online Discount:** Enroll via our website to receive **10% off** tuition.
- **Scholarship:** 50-60% Scholarship opportunities to Singapore, Europe, USA & China are available.

Contact Information:

- **Head Office:** Beckslea Plaza, Room 4, Madang.
- **Phone:** +675 81441339 / 72048621 / 79328418.
- **Web/Email:** www.open2study.net | enrol@open2study.net.

Our Branch Centers

8. Affiliation Governance

Students enrolled in **Bachelor's** and **Master's** programs are dual-members of Open2study College and our partner universities.

- **Curriculum:** Programs are designed by Langbustec and Thames University to meet international accreditation standards.
- **Certification:** Upon successful completion, degrees are conferred directly by the partner university.
- **Dual Support:** Students have access to both Open2study's local facilities and the digital libraries of our international partners.

9. Graduation & Beyond

We don't just graduate students; we launch careers.

- **Career Services:** Resume workshops and mock interviews.
- **Alumni Network:** Join a growing community of professionals across various industries.

- **Continuous Learning:** Alumni receive 15% discounts on any future Short Courses or TVET upgrades.
-

10. Conclusion

Conclusion: Your Future Starts Here

Congratulations on taking this significant step toward your academic and professional goals. By choosing **Open2study College**, you have joined a community dedicated to innovation, excellence, and the pursuit of knowledge.

This handbook serves as your roadmap, but your dedication, curiosity, and integrity will be the true drivers of your success. We are committed to providing you with a high-quality learning environment—whether through our local initiatives in the Lufa District or our global affiliations—to ensure you graduate with the skills necessary to thrive in a digital world.

Final Reminders

- **Stay Informed:** Regularly check campus notices and your student portal for updates on policies or academic schedules.
- **Seek Support:** If you encounter challenges, do not hesitate to reach out to our administration or faculty. We are here to help you navigate your journey.
- **Uphold Excellence:** As a representative of Open2study College, carry the values of our institution into your community and future career.

We look forward to witnessing your growth and celebrating your achievements. Let us work together to turn your aspirations into reality.

Welcome to the Open2study family!
